ABOUT IVISH DECOR

A Partner You Can Build On.

For over 12 years, iVish Decor has been a dependable execution partner for architects, interior designers, and developers across India — delivering authorised, design-grade finishing solutions for hospitality, residential, commercial and entertainment spaces.

From a single boutique hotel suite to a multi-property rollout, our teams manage technical detailing, site execution and after-sales support — so design intent survives all the way to handover.

WHY IVISH DECOR

Built for Projects That Can't Afford Delays or Compromise.

01

Authorised Partner Network

Direct partnerships with leading European & Indian manufacturers — genuine products, full warranties, no grey-market risk.

02

6+ Products. One Partner.

Flooring, smart glass, blinds, curtains, ceilings and tensile structures — specified, supplied and installed by one accountable team.

03

Pan-India Execution

Mobilised project teams and logistics network across 30+ cities — consistent quality across projects.

04

Specification Support

Sampling, mock-ups, technical drawings and BOQ assistance for architects and design consultants at the design stage.

05

Proven on Marquee Projects

Delivered for international hotel chains, HNI clients & Large commercial spaces.

06

After-Sales & AMC

Dedicated service desk and annual maintenance contracts — motorisation, automation and fabric systems stay reliable for years.

OUR PRODUCT PORTFOLIO

Everything You Need — Engineered, Sourced & Installed.

Flooring Solutions

Engineered & laminate wood, vinyl planks, carpet tiles — for residences, offices & hospitality.

Switchable Smart Glass

PDLC privacy film — instant opacity control for partitions, facades & meeting rooms.

Window Blinds & Shading

Interior, exterior, zipline, sky & sandwich blind systems — manual or motorised.

Motorized Curtains

European-engineered curtain automation — quiet, reliable, fully customisable.

Stretch Ceilings

Backlit, printed & acoustic stretch ceiling systems with DALI-based control.

Tensile & Outdoor Structures

Architectural tensile canopies, umbrella structures & outdoor shading.

01 — FLOORING SOLUTIONS

Engineered for Beauty. Built for Heavy-Use Spaces.

From luxury suites to high-footfall lobbies, our flooring range balances aesthetics, durability and lifecycle cost — with 100+ plank sizes, finishes and wood designs to match any design language.

- **Engineered Wooden Floors**

- 10–25 years warranty • AC4–AC5 rated • stable in humidity & temperature swings • from ₹350/sq.ft

- **Laminate Wooden Floors**

- 20+ designs & plank sizes • long-plank formats for spacious visual effect • from ₹120/sq.ft

- **Carpet Tiles & Vinyl Floors**

- Cost-effective, modular & easy to replace — ideal for commercial and high-traffic zones

02 — SWITCHABLE SMART GLASS

Privacy On Demand. Clarity at the Touch of a Button.

PDLC switchable film converts glass partitions, facades and meeting room walls from clear to opaque instantly — ideal for boardrooms, hotel bathrooms, clinics and feature facades where privacy needs change through the day.

- **Authorized Partner Advantage** — As an authorized BenQ partner, we provide products backed by a warranty issued directly by **BenQ** to the end customer.
- Applied to existing glass — fixed or movable panels
- Button, remote-controlled or automation operation
- 98%± UV protection — protects furnishings & art
- Industry-leading clarity and transparency ratings
- Up to 92% clarity, switched in a single click

92%

Clarity Achieved Instantly On Switch

98%+

UV Protection for Interiors & Furnishings

*Authorised Distributor of Leading PDLC Film Brand
BenQ*

03 — WINDOW BLINDS & SHADING

Engineered Shading for Every Facade and Opening.

India's widest shading portfolio — 14 blind types, 2,000+ fabric options — from a Made-in-India, ISO-certified manufacturing partner with 22+ years of market leadership.

Interior Window Blinds

Roller, Roman & decorative pelmet systems for residential and commercial interiors — motorisation available.

Exterior Window Blinds

PVC fabric blinds for balconies & pergolas, side-guided, with 3–10 year fabric warranty backed by [Serge Ferarri](#).

Zipline Screens

Manual or motorised, wind-resistant zip-guided screens in mesh or fabric — ideal for large windows and skylights. Openings up to 9 mtr backed by [Serge Ferarri](#)

Sandwich Glass Blinds

Honeycomb or aluminium slat blinds within glass — for partitions & sliding doors, ISO 9001 certified.

Skylight Blinds

Compact motorised blinds for glass ceilings, covering up to 3m x 10m spans.

04 — MOTORIZED CURTAINS & AUTOMATION

Quiet, Discreet Automation — Engineered to Last by Somfy.

We bring curtain automation from one of the world's top three curtain motor manufacturers — engineered in France, present in India for over a decade, and trusted across luxury residences and hospitality projects.

- Single-motion operating system with soft start & soft stop
- Curvable rail systems built to design intent
- 5-year warranty, tested for 15 years of operation
- 400+ patents filed annually by our automation partner
- Compatible with home-automation & scene control

5 Year Warranty

Tested for 15 years of operation

10+ Years

Of curtain automation presence in the Indian market, with one of India's most trusted automation brands

Top 3 Globally

Ranked among the world's leading curtain motor manufacturers, with 5-year warranty on motors & automation systems

05 — STRETCH CEILINGS

Transforming Ceilings into Design Statements

Stretch Ceilings

- Decorative, backlit ceiling membranes — printable with any design or branding
- Tunable lighting from 3000K to 6000K for mood-based ambience
- Automation & dimming via DALI control systems
- Ideal for retail ceilings, hospitality lobbies & feature areas

✦ Unlimited Design Freedom

Create seamless, illuminated, curved, and custom ceiling designs without the limitations of traditional ceiling systems

Serge Ferrari Partners

- PVDF coating
- ISO 105-B02 UV rated
- B2 fire rated
- 5 – 15 years fabric warranty

iVish Decor Project — Outdoor Tensile Canopy
iVish Decor

06 — TENSILE STRUCTURES & AWNINGS

All-Weather Outdoor Spaces, Engineered to Span.
